

Executive Assistant Superclass

A workshop for experienced Executive Assistants to brush up on some key skills in the workplace

The Executive Assistant today is the most critical person in the management team. They perform the functions of manager, coach, confidant and cheerleader with efficiency and in most cases a smile. This workshop will build on the skills you already have and introduce you to some relevant topics and some of the latest training for Executive Assistants.

Overview

This workshop will run over two days one week apart and will include a number of sessions in areas that all Executive Assistants need to be proficient in. We will use specialist trainers with Government and many years training experience. Discussions and networking with other Executive Assistants will also make this a valuable experience.

Acorn Training

Acorn has had a long association with Executive Assistants going back over 15 years. We have always recognised their unique role in the APS and have developed workshops to suit including;

- The New EA
- Writing Skills for EAs
- Productiv_IT with Outlook 2003 or 2007 for EAs
- The Productive EA

This workshop takes the best of those programs and adds other useful skills and information which all EAs will find of benefit in their daily roles.
